About the Author

The husband and wife team Nancy and Randall Faber are internationally known as authors of the Piano Adventures® teaching method and over two hundred publications for the piano. They recently founded the Faber Piano Institute in Ann Arbor, MI, where they live with their daughter Vivian. Nancy Faber, who was named "Distinguished Composer of the Year" by the Music Teachers National Association, enjoys a busy schedule of commissions for the concert stage in addition to her educational composing. Recent commissions include "The Snow Queen" for narrator and orchestra, "The Picture My Imagination Has Painted" for Flute Quartet and Piano, and "Trio for Flute, Saxophone and Piano". Her pieces have been heard on U.S. public radio and network television. She studied composition with Joan Tower, William Albright, and British composer Nicholas Maw; piano studies were at the Eastman School and Michigan State University. Randall Faber has toured Korea, Taiwan, Canada and the United Kingdom. He was master teacher for both the World Conference on Piano Pedagogy and the National Conference on Keyboard Pedagogy. He gave recitals in St. Louis, Ann Arbor, as Convention Artist for the North Dakota Music Teachers, and performed as Visiting Artist at the University of Michigan, University of Southern Mississippi, Saginaw State University, and numerous universities throughout South Korea. He was featured clinician for the Nebraska Music Teachers, the Florida Music Teachers and the Pennsylvania Music Teachers Convention, and recently presented his research at the 9th International Conference on Motivation in Lisbon, Portugal. Dr. Faber holds three degrees from the University of Michigan and a Ph.D. from Vanderbilt University. The Fabers advocate piano study not only for personal expression and performance success, but also as a vehicle for the student's creative and cognitive development. Their philosophy is reflected in their writing, their public appearances, and in their own teaching.

ACCELERATED PIANO ADVENTURES FOR THE OLDER BEGINNER, TECHNIQUE AND ARTISTRY BOOK 1 FROM FABER PIANO ADVENTURES PDF

(Faber Piano Adventures). Designed for the teenager or transfer student, this technique course combines "Technique Secrets" from both the Primer and Level 1 with new exercises that correlate with Accelerated Piano Adventures Lesson Book One. The integration of technique and artistry gives students the tools for expressive performance. "Technique Secrets" develops a technical foundation, while the "Artistry Magic" page at the end of each unit explores expressive playing.

Ordered by accident

By Burton, OH

I actually ordered this accidentally thinking I was ordering the lesson book--which I highly recommend. This is well done. I just find that I would rather have most of my beginning piano students just concentrate on what is in the lesson book so they can progress faster. It's just me. If you are after a beginning book on piano technique, it's one of the better ones.

2 of 2 people found the following review helpful.

This book encourages creativity

By Maestrazim

I switched to the Faber series based on the Technique and Artistry book. It allows the students to do all manner of ear training and improvisation - allows for much creativity on the part of the teacher AND the student.

2 of 2 people found the following review helpful.

Great for older beginners!

By ST

I love this method for my older students. The activities are fun and interesting without being too childish, and the pieces are very enjoyable. It provides a nice transition into beginning classical repertoire.
