Simple Christmas Songs

By Kristen

This is an excellent beginner Christmas book that I use with my beginning piano students. It has a combination of no-line music and lined music. A couple songs are written for black keys and some are written for white keys. This book allows even my youngest students to play Christmas music!

True to level

By Gracernote

My students (and I) enjoyed this book! A few of the pieces went beyond predictable hand positions for an enjoyable challenge. There was a good blend of familiar carols and lesser-known ones. Recommended.
