An excellent lesson on the pleasure of giving

By jatebt@hotmail.com

I really enjoyed reading this book to my daughter Emily, age 3. It is a wonderful story about a boy who had five new pennies and spent them buying things for others. In such a greedy world we need to instill the power of giving to our children. The story is well written and the illustrations are enticing.

Easy to read--and memorize!

By A Customer

My 2 1/2-year-old loves this book and was soon "reading" it back to me! Its simple rhymes relate a story of generosity and thoughtfulness. We read it every day for weeks, and return to it frequently after 4 months. Paperback version is not sturdy, though--pages fell out after repeated reading.

Benny has 5 pennies; spends his day & his pennies on family

By Betsy R. Marks

What a wonderful story to read with your child! A great lesson in sharing and basic mathematics. Plus, the illustrations are wonderful 3-D paper cutouts! This book is a special and rare treat for 3, 4 and 5 year olds. I highly recommend it.
