CONTRA EHRMAN: JESUS DID NOT EXIST BY MICHAEL LAWRENCE PDF

Bart Ehrman's book Did Jesus Exist - which insists he did - is extremely convincing, while equally implausible and entirely incorrect.

After presenting his arguments for the existence of a historical CE 1 to 30 Jesus character, and refuting the ideas put forward by the better known mythicists, Ehrman poses the question: "who would make up the idea of a crucified messiah?" He also alludes to the event in history which he considers caused the gospels of Matthew, Mark, Luke and John to be written. In Ehrman's view, this is the supposed circa 30 crucifixion of a Jesus character. However, as will be explained in this rebuttal, this was not the event which inspired the gospel writers, since the event itself did not happen. Moreover, it could not happen, because the Catholic and Protestant Jesus character is pure fiction.

This rebuttal will answer Ehrman's question; it will reveal who wrote the gospels, when and why. And not just these four specific gospels, but many other less well known gospels; along with many unknown lost gospels of this popular genre of the age.

alternated like many god fabrications only a few like Buddha

By drbdes

its v clear that jesus or christ or JC is not historical

no proof or any evidence

its based on 1000/1500 yrs of gradual

fabricated info

and still revised and re revised

edited, plagiarized , alternated

like many god fabrications

only a few like Buddha, mohammed, zoroaster, conficius ever lived

and what we see

is plagiarism and borrowings from these writing

much is written re mythical christ

to create confusion and give suthencity

to fabricated creation

many teachings are good

better if we discard myth and fabrication,

as many religions dissappear, 25000/35000 Christian sects

are gradually dissappearing

in spite of much propaganda,
