Real good recipes for every taste!

By Carol Lynn

Lots of great ideas in here!. Like most everyone, I do leave out things I don't like, but that usually doesn't hurt the flavor. Real good combinations of tastes in this book. Well worth the e-book price. Most every ingredient is available in any grocery store. If not, Asian markets and Amazon will have the rest.

OK

By Vinnie's Mom

Not something I would purchase in print or for more than 99 cents because ingredients aren't very clear on measurements sometimes. Like "a pack of. . .). what size pack?
