EDGAR CAYCE AND THE KABBALAH BY JOHN VAN AUKEN PDF

It is very difficult to comprehend that our destiny lies in nonphysical dimensions, but Van Auken teaches this well while explaining that our present life is the perfect prerequisite for the next one. Van Auken's easy writing style helps to shed light on the most complicated concepts in Kabbalah, making it easier to grasp the five divisions of our being, the four planes of existence, the seven heavens, the ten emanations, and the twenty-two channels of the Infinite Creative Consciousness. We also learn how to expand our minds to perceive these realms, to journey through them, and as Van Auken writes, to remain sane, healthy, and active in our present life. The chapters on magical incantations, talismans, and numerology so integral to Kabbalah give us helpful tools for recognizing and changing positive or negative influences in and around us. The chapter on angels, archangels, and demons reveals unseen helpers and troublemakers, and tells us how to avoid the one while employing the help of the other. Other chapters include those on ecstasy and spiritualizing body and mind.

Made a difficult subject easy to understand

By Ginger Krick

This is not the first John Van Auken book I've read, and I've seen him speak, so I'm a big fan. He really has a way with words and taking complicated subject matter and making it so easy to understand. I love how he relates things to his readers. The vast knowledge shared in Edgar Cayce and the Kabbalah is just mind-blowing. I highly recommend it to anyone who is on a spiritual path--no matter your religion.

Clear Explanation of Kabbalah

By Hathor

If you are a beginner to Kabbalah, you will find this book easy to read and understand. I've seen other books

on the subject which were much more difficult to comprehend. John Van Auken always peppers his books with stories that illuminate the essence of the topic, which is very helpful. The only caveat I have is that the book does discuss Edgar Cayce's views and how they compare to the Kabbalah, so if you are not into the Cayce material, it might not appeal to you.

Jesus Comment on the Coast to Coast AM Radio Show

By John Van Auken

On the Coast to Coast AM show with George Noory, I was referring to the Gospel of John, chapter 10, verse 16: "Other sheep I have, which are not of this fold: them also I must bring, and they shall hear my voice; and they shall become one flock, one shepherd." I said that this indicates that Jesus Christ has a bigger plan than we Christians may grasp, a plan that includes soul from other faiths. -John Van Auken, author of Edgar Cayce and the Kabbalah
