## About the Author

Cortney Pearson is a mother, a musician, and a lover of all things pink and sparkly. She is the author of *Phobic*, about doors that shouldn't be opened, and the *Stolen Tears* series, about an enchanted vial of tears and the girl chosen to wield them. Cortney lives with her husband and three sons in a small Idaho farm town. She believes anything can be made better with a good attitude, and maybe a book tucked away for those just-in-case times.

She wants to see the world. He only wants her.

Although seventeen-year-old Perdita Aravale has loved her simple life as a shepherd's ward, she longs to see the moon from somewhere else besides Bohemia. A boy has never been included in these dreams of escape, but when she meets Cove Rutledge—and discovers the truth about her parentage—those dreams are about to change.

Don't miss this digital, romantic retelling of William Shakespeare's "The Winter's Tale." In this sweet novelette, readers won't know whether their hearts or their knees melt first.

That's the best way of describing my experience--from the scene details

By Danette Hansen

The writing in this story was delicious! That's the best way of describing my experience--from the scene details, to the well crafted characters, to the exciting plot. I was hooked right from the first page. I loved every bit of this delightful read--especially the sweet love story. I would definitely commend reading.

I loved this story

By Rachel

I loved this story! The characters captured me from the first page. The compelling prose moves the story through it's twists and turns and delighted me to the end.
