this is without a doubt the most beautiful story of a person becoming the woman of their (all of our) dreams. Julia instantly starts living the ideal life that we all dream about. Living in a beautiful home with the man of her dreams, helping raise a little girl and taking care of the house cooking meals cleaning and shopping. I would definitely read more from this author, this is a wonderful story and you will definitely enjoy.

Not A Bad Beginning

By NN0S7M8

I borrowed this title via KU.

This story had tons of potential. I love reading about transgender characters and gaining insight into the transformation process. While the writing was good, the story line was far too accelerated. I think with some editing and revisions, this could be a great five-star novella. I think KJ did a great job but I wanted a bit more show vs. telling regarding Matt and Julia's relationship. Right now, this is a 2.5 star rounded up to three for me.
