Has your intuition been giving you messages but you don't know what they mean?

Do you find it hard to trust your intuition because you think you might be making it up?

Would you like to have intuitive guidance at your fingertips, but you're not sure if your intuition is working at all?

Do you want to have more understandable information from your intuition?

Intuition On Demand can help you fix all these problems once and for all.

If you're in control of your intuition, you can find the right answers to questions such as: Should I move? Where should I go? Who do I pick to be my friend, spouse, doctor or lawyer? How do I fix the difficulties in my relationship? What should I do to improve my health? Why am I stuck in my career?

When you finish reading this book you'll be able to make your intuition happen when you want, on what you want and get detailed information. You'll have an education and understanding of intuition so you can get instant intuitive guidance for all your important life decisions and know what action to take that will give you a better outcome. You'll always be assured of the best course of action to take to feel safe, comforted and calm.

Lisa K. PhD developed these methods and technique to help her become a sold out intuitive reader and one day save her life. Being inspired to help others to do this for themselves, she then taught this technique to friends and eventually hundreds of people around the world with immediate, stunning results. Developed from years of research, training and experience, Intuition On Demand was created to help others, like yourself, to develop your intuition from scratch.

Intuition On Demand provides a step-by-step technique that is a down to earth, tangible process that makes sense to people. Words used to describe the technique and methods are clear, straightforward, understandable and not "woo woo." In addition, the technique can easily be applied to any situation and can be built upon through clear exercises.

Here is some of what is covered in the book:

Discover the intuition development map and why most people get stuck at step one.

Learn Lisa's signature Intuition On Demand technique that is concrete, easy to follow and works immediately.

Build your toolkit of intuition methods to use in business, romance, health and wellness and other situations.

Learn the common myths about intuition and how to overcome the intuition mistakes they cause.

Find out ways to re-program your thinking mind to become more intuitive so you can use it in any situation and have your intuition "on" all the time.

You'll be shown easy ways to distinguish between your thinking mind and your intuition. Use different methods on how to get your thinking mind and Ego out of the way of receiving intuitive messages.

Plus learn what metaphysical energy is and how to sense and work with it.

Find out solutions to frequent and common problems everyone has when first working with intuition. This book contains dozens of intuition exercises you can do alone or with a friend to hone your skill to an advanced level.

Intuition On Demand includes worksheets to help you discover how to strengthen your intuition skills. Finally, you'll learn how to live the intuitive life so your intuition is guiding you in every step of the way to help you avoid what you don't want and get what you want easily.
