Get It!

By Daniel Kauwe

To me this series is like the classic treasure/adventure stories from decades past (particularly Indiana Jones), and so I really enjoy a plot line that doesn't seem to be very common among web comics today (at least for those I've seen thus far). There are lots of interesting characters, sci-fi elements, mysteries, conflict, etc etc. I look forward to future volumes!

Great Adventure

By Jaocb

I am just shocked at how good this series is. It just keeps getting better and better! I cant wait until the next volume.
