Not Just Another Singles Book Author!

By Candace

Having been single by choice for the majority of my adult life, I've probably read a couple of hundred books on the subject, so you could say I'm a bit of an expert when it comes to the subject! Having said that, I absolutely have to take this opportunity to spread the word LaVonnia Tryon's book "Not Another Singles Book." Within the first few minutes of reading this book, you'll agree that a book's title has never described a book's content more accurately. Instead of blurting insincere cliches at the reader, Tryon uses her own life as an example, assuring her readers she's in the trenches alongside us as we struggle in this war of trying to maintain our self-worth in the midst of a lifestyle of singleness that can just be downright heartbreaking at times. I wholeheartedly recommend this book to all the singles who are sick of the cliches, desiring to redeem their single years and not waste them, and are seeking a different approach to singleness that is sure to leave them filled with hope, ready to become the kind of people with whom they'd fall in love.

Being single again for the past 4 years after a 26 year marriage, I have read a lot of singles books. Obviously I don't know how to do this..I need help. This book definitely lives up to its title. Reading this book has changed my attitude toward my singleness. The fact that it is backed up by scripture and filled with bible references, puts a whole new perspective on being single. I know now I've been doing it all wrong. Thank you for showing me the way through this book. I'm excited about the present and the future. Thank you LaVonnia, your book has been a blessing to me.

By Anna Hester

This book is truly amazing and has opened up my eyes to what it means to be a single woman in Christ. In the book, Lavonia goes through the different stages of what singles of today's society go through and than how to deal with it and look at it from gods perspective. She has really taken the time to back up what she is trying to say with scripture and then adding her own testimony to encourage others.

I have learned how to make the most out of my singleness instead of others trying to teach me how to get out of it.
