## Most helpful customer reviews

4 of 5 people found the following review helpful.

Not what I expected, but not bad

By A. Simmons

Considering the book is called 'perfect phrases', well, I expected to find a collection of phrases, maybe organized by adjective or characteristic (e.g., organization, responsibility, work ethics). The book has really good pointers on how to make a better letter of recommendation, but I guess the title is misleading. It also contains many examples of reference letters, which is not very useful when one is trying to find a sentence that describes the student or colleague one is writing about. In summary, I think it is a good book, I just don't think it is very practical.

1 of 1 people found the following review helpful.

Great Book

By Renee Evers

This is the dictionary for people who write and support the greats in this world that are seldom recognized.
