Resisting sin with Dr. Flynn

Lucas Flynn was still a dish, as tempting as he had been eleven years before when Emily had placed her naive teenage self in his bed and let him seduce her.

Those years hadn't made Lucas any more kindly disposed to Emily—who longed to tell him about the consequences of their one-night stand, and that she'd never stopped wanting him. But this time she wasn't going to offer herself to him on a plate. If Lucas ever made love to Emily again, it would be because he had come to her!

Tempting Lucas LOVED IT LOVED IT

By KJ

I very glad that I bought this book because I loved it so much. There was only one review on this book, a three stars review. I though that I was taking a chance by buying it; but I am glad that I was wrong. This is a great love story that made cry when h was sick and H was at the chapel. I don't do give details about books in my reviews, just how I feel about the story. This book is highly recommend.
