# **THE BIG BOOK OF BABYCAKES CAKE POP MAKER RECIPES: HOMEMADE BITE-SIZED FUN! BY KATHY MOORE, ROXANNE WYSS PDF**

The irresistible homemade morsels are back -- bake and decorate an even wider variety of treats.

Cake pops are so much fun to make, decorate and serve! By popular demand, they're back in this comprehensive cookbook that will appeal to novice and experienced cake pops enthusiasts alike.

These all-new recipes feature brand new flavors and completely unique applications for the amazingly versatile Babycakes® cake pop maker. Other new features include innovative gifts, displays and decorating ideas that showcase the cake pops in a wide range of holidays and occasions -- whether it's a graduation party or a wedding shower.

The topics have been expanded and new ones unveiled -- everything from meatballs, tapas, breakfast bites, donuts and donut holes, to brownies, biscuits and so much more. And the all-important Cakes and Sweets section has also been expanded to include every imaginable flavor, color and decorating technique.

Dozens of color step-by-step photos in the introductory pages provide an inspirational and instructional kick start. They provide decorating inspiration for simple and fancy pops. You'll be able to simply and easily understand and ultimately execute fun and creative decorating ideas. The show-stopping presentation ideas are incredible -- everything from a cake pops arrangement that says "get well" to a sports team celebration and New Year's Eve celebrations.

Thousands of consumers have enjoyed the recipes for the little cake gems on a stick, doughnuts and savory appetizers from 175 Best Babycakes® Cake Pop Maker Recipes and this completely new book jam-packed with fantastic ideas is also sure to be a hit.

Tasty selections

By Grandma Phyl

This book has a wide variety of recipes including appetizers. I like the fact that all of the recipes are for actual cake pops made in the cake pop baker, not where you mix up a cake mix and add icing to it to make the balls. I have so many recipes marked to bake it will keep me baking something new for a long time. I also like the added notes, to either slightly change the recipe or suggestions on how to use the cake pops. Even has a section on cake pops for special occasions. I'd seen all the cake balls cook books but wanted something beyond that and not just with sweets.

Not what I expected

By mdcolliver

I got this hoping to find some good from scratch recipes to use but most of them seem to have a cake batter base to them and just ok, I have a from scratch chocolate cake-pop recipe that is great but it didn't come from this book and was hoping to find more good ones. The glazes however are wonderful.

1 of 1 people found the following review helpful.

Not what I Expected

By grandma

I guess I should have done a little research on "pops" because they're awfully sweet--- the ideas are cute, and will occasionally be sharing with grandkids but they're basically more trouble than they're worth although if you're "idea challenged" then the book will be a good source for you to peruse..
