Rip off!!!

By Jon F. Mabry

This book is the SAME book at "Big Nate, in a Class by Himself" but it has a different title. We already have that book and my son had read it. We assumed this was a different book since the title is different, but it is NOT, it is the EXACT same book, with a different title. How was anyone to know that???? Now we have purchased the SAME book we have already read!! so, if you have read "Big Nate, a Class by Himself" DO NOT waste your money ON THIS one.

Big Nate The Boy with the Biggest HEAD

By J. Deel

I can't believe the author would put out two books that are exactly the same but just have a different title! The Boy With the Biggest Head is the exact same book as Big Nate In a Class by Himself. This almost seems fraudulent. Amazon should stop selling this book!

Waste of money!!!!

By mlarmsby

This was such a waste of money!!! My son loves these books and when he started to read the book he said, "Mom this is the same book as the first one, but it has a different title." I took both books side by side and looked through the pages and compared them. Sure enough they were exactly the same book. My son and I were both disappointed.
