Great book

By zukie

Was delighted to find this out of runt book in great shape. I had a copy that I bought at a garage sale and my grandchildren love it so much that it is starting to wear out. It is a great little book and I wish it were in print so I could buy as presents.

PERFECT Condition!

By cschwaegerle

I bought this book as a gift for my younger sister because as kids we absolutely loved The Little Witch Sisters. I was super excited to find it on Amazon and the seller rated it in "very good" condition. It was shipped to me quite quickly and it turned out that the book was like new! The pages are still perfectly crisp and aren't creased at all. Thank you! My sister was so excited to have this book again!
