TRAINER'S HANDBOOK: A PRACTICAL GUIDE TO TRAINING IN THE NUCLEAR POWER INDUSTRY BY FORREST B. WALL PDF

At last, a fascinating guide to the world of industrial training. Dr. Wall draws from his extensive experience working with training instructors to present training basics in a practical and interesting fashion. Readers explore the analysis, design, development, implementation and evaluation of training programs in an effective and entertaining manner. This is not a textbook. The down-to-earth guidance is presented in a concise handbook that trainers will refer to often. This book is an important resource not only for those in the nuclear industry but for instructors and teachers in any field.
